### Payment

The fee for all sessions, in a given month, is due by the 10<sup>th</sup> of that month. Late charges will be assessed after the bill due date according to the following schedule:

<u>Past Due</u>	<u>Late Fee</u>	<u>Past Due</u>	<u>Late Fee</u>	<u>Past Due</u>	<u>Late Fee</u>
\$0-\$100	\$10.00	\$101-\$150	\$15.00	\$151-above	\$20.00

Clients must pay for all sessions for which they have reserved a standing appointment, regardless of whether they attend the session or not. Bills are not altered due to sickness or missed sessions. However, we encourage parents to schedule make-up sessions. It is our goal that students receive all sessions that have been set aside for them as this will maximize growth.

### Services

We, at Rose, will do our best to help students improve their skills; however, due to the many variables such as, learning styles, potential, and motivation, we do not guarantee increased skill growth.

### Confidentiality

There are no observations or conferences during sessions as these disruptions take away from valuable teaching moments. We will be happy to schedule conferences. If you would like to observe a session, please call to schedule a private session. Thank you for your understanding.
